**PARSH NATH
MANUFACTURERS**

PRODUCT RANGE

• STRENGTH • DURABILITY • RELIABILITY

01

Square Mesh Wire Cloth

High quality square mesh wire cloth designed for strength, durability and versatile applications.

02

Hexagonal Wire Netting

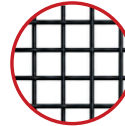

Hexagonal wire netting provides flexibility, strength and long lasting protection for diverse uses.

03

Industrial Heavy Screen

Heavy duty industrial screens built for high performance filtration, separation and screening applications.

04

Polymer Mesh & Nets

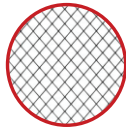

Durable polymer mesh and nets for fencing, safety, gardening and protection applications.

05

Mosquito Mesh

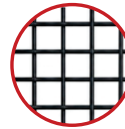

Fine mesh mosquito nets keep insects out while ensuring fresh air and visibility.

06

Welded Wire Mesh

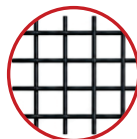

Strong welded wire mesh for construction, reinforcement and industrial applications.

07

Fiber Insect Screens

Fiber insect screens offer excellent protection against insects with long lasting performance.

**PARSH NATH
MANUFACTURERS**

PRODUCT RANGE

• STRENGTH • DURABILITY • RELIABILITY

08

Chain Link Fencing

Strong and durable wire mesh designed for security, boundary fencing and outdoor protection.

09

Expanded Metal

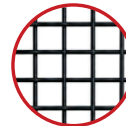

Lightweight and strong metal mesh ideal for screening, ventilation and protective applications.

10

Brass Woven Wire Cloth

Precision woven brass mesh offering durability, corrosion resistance and reliable filtration performance.

11

Gabion Boxes

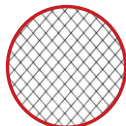

Heavy-duty wire mesh boxes designed for stone filling, retaining walls and erosion control.

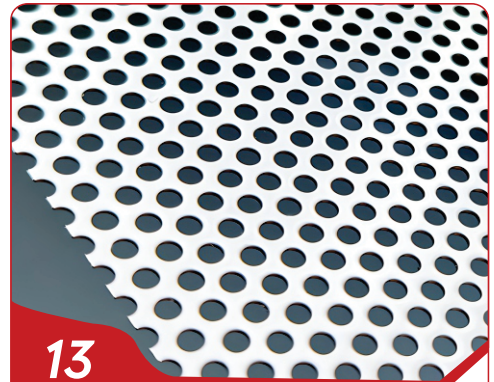

12

Concertina Coils

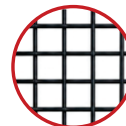

High-security razor wire coils designed for reliable perimeter protection and effective access control.

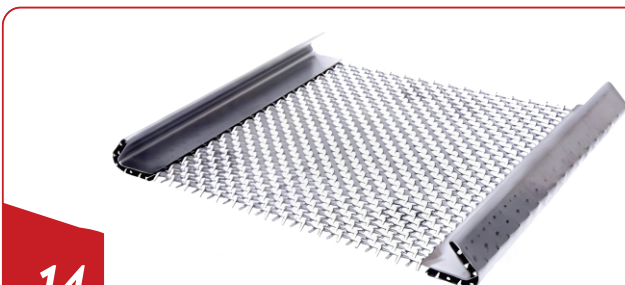

13

Perforated Sheets

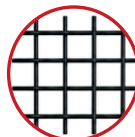

Precisely perforated metal sheets ideal for filtration, ventilation, screening and architectural applications.

14

Vibrating Screens

High-performance screening mesh designed for accurate material separation and industrial screening applications.

**PARSH NATH
MANUFACTURERS**

PRODUCT RANGE

• STRENGTH • DURABILITY • RELIABILITY

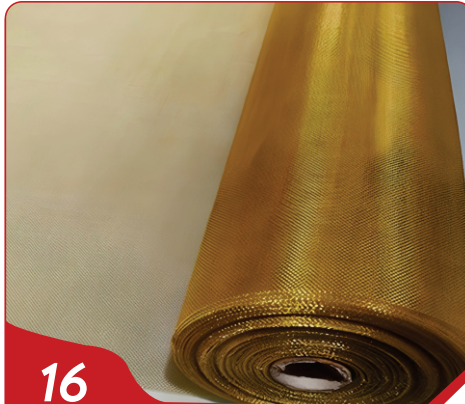

15

Agro Shadow Mesh

UV-stabilized mesh designed to provide shade, crop protection and improved growing conditions.

16

Brass Strainer Screen

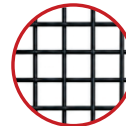

Fine woven brass mesh designed for efficient filtration, straining and industrial screening applications.

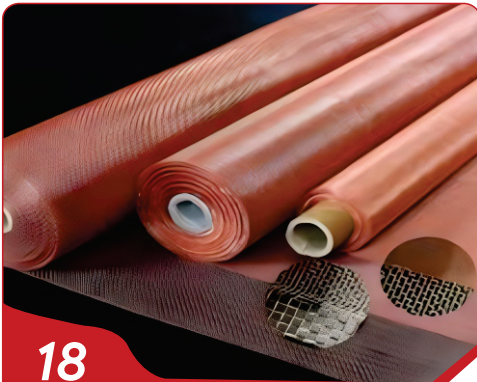

17

Conveyor Belts

Durable mesh conveyor belts designed for smooth material handling and continuous industrial operations.

18

Copper Woven Wire

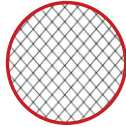

Strong and flexible woven mesh designed for screening, fencing and heavy-duty industrial applications.

19

Crimped Wire Mesh

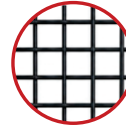

Delivering precise openings, superior rigidity, and a tightly locked weave structure ideal for demanding industrial applications.

20

Glass Fiber Mesh

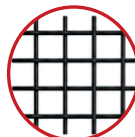

High-strength mesh designed for reinforcement, crack resistance and long-lasting construction performance.

21

Test Sieves

Precision-engineered sieves designed for accurate particle analysis, grading and quality control.

PRODUCT RANGE

• STRENGTH • DURABILITY • RELIABILITY

22

Anti Bird Net

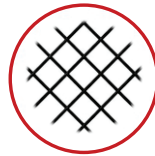

Our offered range consists of best grade Anti Bird Net, Pigeon Net, Monkey Net for Balcony, Nylon Net for Balcony and Safety Net, All Sports Nets, Like Cricket, Football, Volley Ball etc.

23

PVC Bird Spikes

PVC Bird Spikes Durable, UV-protected, and weather-resistant bird spikes designed to prevent pigeons, crows, and other large birds from perching or nesting. Humane, effective, and safe for birds.

24

Cricket Practice Net

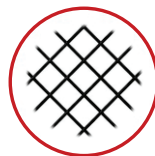

Ensuring safety and saving time by containing the ball.

25

Construction Safety Net

Passive safety systems designed to protect site workers and prevent debris from striking pedestrians below.

PARSH NATH MANUFACTURERS PVT. LTD.

Parsh Nath Group is a name that is well recognized and respected in the Wire Mesh market all over India. We are a leading manufacturer, importer, supplier and stockist of a wide range of Mesh Fabrics, Wire Mesh, and Woven Wire Clothes operating from New Delhi since 1970's.
